Welcome to Dreamland Where Your Dreams Are Interpretated

Dream Interpretation & Interaction Artifact · White & Blue Edition

About

This tool builds a personal **Dream Interpretation Artifact** from your dream text, optional DNA sequence, and selected interpretation codecs. It includes symbolic mapping, emotional tone analysis, narrative motifs, and a Brain–Dream Map–style synthesis. For educational/entertainment use only.

Symbolic Codec   Emotional Codec   Narrative Codec   Brain–Dream Map Synthesis

1) Start · DNA Seed (optional)

Paste DNA sequence (A/C/G/T only)

e.g., ACTGTTACG...

Used as a personalization seed. Nothing is uploaded; runs entirely in your browser.

2) Honor Fee · Bitcoinavt

2) Honor Fee - Bitcoinayt

Your Bitcoinayt address (fictional)

Enter your Bitcoinayt address

Payment Tx (optional)

Paste a tx reference (mock)

☑ I acknowledge the fee of **1 Bitcoinayt** (mock).   **Fee acknowledged**

This is a demonstration UI with no real blockchain connection.

3) Describe Your Dream

Dream narrative

i was married to madonna

☑ Symbolic   ☑ Emotional   ☑ Narrative   ☑ Brain–Dream Map   Insert Demo Dream   **Interpret Dream**

4) Interpretation & Artifact

Synthesis

Overall tone: balanced (0%) · **Confidence:** 31%

Brain–Dream Map: Agency **42**, Safety **50**, Novelty **44 → recalibration**

Salient symbols: none detected
